

Canadian Gift Planning Course

Faculty Application

CAGP • ACPDP™'s week-long course is the longest running and most respected course on Canadian philanthropy. Founded in 1990, this demanding comprehensive seminar provides in depth education on the full range of gift planning issues: from detailed information on the tax aspects of gift planning to topics such as marketing, stewardship, and ethics.

To this end, we seek potential Faculty that are upbeat, outgoing, talented and most importantly, seasoned in gift planning. Faculty should be seen as "venerable" and veterans who have put in years in the trenches and helped develop the field to where it is today and where it is moving toward. Faculty are chosen because they are leaders in the field of Gift Planning. Successful applicants will have previously taken the Canadian Gift Planning course.

The position of Faculty member for the Canadian Gift Planning course is one we hold in high regard, as the course is our signature educational offering.

If you think you have what it takes to bring the course to the next level, please complete the following application in full and attach:

- A copy of your most current resume
- Two (2) references
- A written letter of reference by a reference
- Anything else you feel would aid you in qualifying for this position
