

VGH&UBC
HOSPITAL FOUNDATION

Advancing world-class health care
for people in British Columbia

BUILD THE RELATIONSHIPS THAT WILL BUILD THE FUTURE
Senior Vice President, Strategic Initiatives & Philanthropy

For more than thirty years, the VGH & UBC Hospital Foundation has raised funds for new facilities, medical equipment, world-class research and patient care improvements. Thanks to the generosity of its donors and friends, the Foundation raises more than \$40 million annually in support of excellence at Vancouver General Hospital, UBC Hospital, GF Strong Rehab Centre and Community Health Services across Vancouver, and Vancouver Coastal Health Research Institute. The Foundation has been the beneficiary of the vision and imagination of a valued group of leadership donors. Working with those ‘above and beyond’ donors will be your professional mission as you join the senior management team of the VGH & UBC Hospital Foundation.

Working with the CEO and a distinguished Board of Directors, you will involve leadership donors with medical and hospital leadership, in large scale dreams, possibilities and projects. You’ll invite them to play a major role in expanding the long term infrastructure and capabilities of the Foundation’s hospitals. Guiding a team of twenty five, you will maintain the highest standards of donor relations and stewardship. You’ll cultivate close relationships with senior hospital administrators, medical staff and researchers to understand the present and future shape of healthcare in British Columbia, and develop inspired initiatives to meet priority needs that help the hospitals transform healthcare delivery. You will be ideally positioned to present strategic opportunities to leadership donors for acts of exceptional philanthropy.

Through your experience as a seasoned, senior philanthropy executive working with high net worth and major corporate donors, you have developed that rare ability to connect people, possibilities and projects. You could also be a highly regarded business or community leader with experience with the not-for-profit sector through volunteer commitments. An adept leader, manager and relationship builder, you will find passionate and kindred colleagues at the VGH & UBC Foundation.
