

Luncheon/Speaker Series 2010

INVEST IN YOURSELF AND YOUR FUTURE

Patricia Lovett-Reid, Senior Vice President with TD Waterhouse Canada makes a special visit to Calgary to share ideas on how to seek and achieve your true goals in life. As planned giving professionals, we strive to be the best we can be and by knowing our passions and values, we can aspire to new levels of personal and professional success and help others find satisfaction in their lives.

Patricia will speak to how philanthropy is becoming more ingrained in individuals...in their daily lives, in their values and how legacy gifts for many help achieve personal and life fulfillment.

Patricia Lovett-Reid, CFP - Senior VP, TD Waterhouse Canada Inc. (Toronto)
