

Sharon Hartung,

Captain (Ret'd), TEP, PEng, MSc, BEng,
PMP, CD, rmc

Sharon Hartung is currently the Founder and Principal of Your Digital Undertaker. With over 30 years of experience in IT management, project management and consulting, she brings a multiple disciplinary approach to better understanding the role of managing digital assets in estate planning and estate administration. Sharon has built and maintained large enterprise systems for public sector and financial clients - starting as an aerospace engineering officer with the Canadian Forces before retiring as a Captain. Joining IBM Global Services, Sharon spent her career as an Executive and Consultant in Project Management. Sharon's book, *Your Digital Undertaker - Exploring Death in the Digital Age in Canada*, has just recently been published.
