

Yolanda Benoit

As Senior Manager, Will & Estate Gifts at The BC SPCA for the past eight years, Yolanda works with supporters, professional advisors and executors, passionately exploring, determining and facilitating the final legacies of donors, many of which are complex and challenging, as well as those with legal claims. Previously, she spent over 10 years raising funds in the healthcare sector. Yolanda is a director on the CAGP National Board and a member of the Vancouver Chapter, the Fraser Valley Estate Planning Council, and an Associate Member of STEP, where she earned her Certificate in Estate and Trust Administration. She pursues her passion of gift planning and estate administration thanks to the support of her husband, two sons (and study buddies!) and dog, Digger!!
