# Welcome

Welcome to the 2nd edition of the Kamloops Chapter of Canadian Association of Gift Planners (CAGP) Charities Guide. We hope this Guide will serve as a resource for professional advisors, individuals, family foundations, retirees and anyone contemplating a planned gift in this community.

We would like to thank the charities and non-profit organizations that continue to support our efforts by participating in this publication. By collaborating and working together, we are helping donors support the causes they care about while ensuring charitable programs and projects have the financial resources they need to maximize their impact in the community.

We would also like to recognize BCLC (British Columbia Lottery Corporation) for their support of the Charities Guide. BCLC works with many of the organizations represented in this Guide and we are grateful to them for the variety of creative ways they contribute to charitable causes in Kamloops and across BC.

Members of the Kamloops Chapter of CAGP include non-profit professionals working at charitable and nonprofit organizations and professional advisors including lawyers, accountants, financial advisors and insurance brokers.

Our goals are to:

- Provide educational and networking opportunities to promote planned giving and strategic philanthropy
- Build awareness and advocate for gift planning
- Grow charitable support in our community and region.

Members of the local CAGP Executive represent the following organizations:

# Leave a Legacy to your Community

## **WHY LEAVE A LEGACY?**

Giving to others is a natural, human impulse. Many of us are naturally moved to help family and friends, but we may also want to give to people we have never met, knowing that what we give can make a real difference in their lives. This is the power of a legacy.

## **WHAT IS A LEGACY GIFT?**

A legacy gift is a simple and thoughtful way to give back to the community for the benefit of future generations while realizing tax savings for your estate. Providing a legacy through estate and planned giving makes exceptional gifts possible for ordinary people.

## **HOW CAN YOUR LEGACY GIFT HELP THE CHARITIES IN OUR COMMUNITY?**

Your donation will leave a footprint of your love and continue the generosity and kindness you demonstrate during your lifetime.

Leaving a gift to a charity carries your values into the future, while supporting the charities you care most about.

THE 2ND EDITION OF THE KAMLOOPS CHAPTER CAGP CHARITIES GUIDE WAS PRINTED IN 2020.
